Drinking-water supply to Cochin.

* 207 *Q*.—SRI P. K. GOPALAKRISHNAN : Will the Hon. the Minister for Health be pleased to state whether the Cochin Municipality applied to the Government for a grant of a loan for the construction of a separate pipe line for drinking water from Thoppumpati at Mattancherry?

THE HON. SRI A. B. SHETTY :—" The answer is in the affirmative."

SRI P. K. GOPALAKRISHNAN :—" May I know, whether the Sanitary Engineer to the Government of Madras visited the place and has submitted a report to the Government and whether the Government have considered the question of granting a loan to the municipality, and if so what is the amount? "

THE HON. SRI A. B. SHETTY :—" The Sanitary Engineer has inspected the existing water-supply scheme and he has suggested another scheme. The proposals in regard to this scheme have been sent to the Travancore-Cochin Government and their concurrence is expected."

SRI P. K. GOPALAKRISHNAN :—" May I inform the Hon. Minister that even though there is an agreement with the Travancore-Cochin Government, for the present only three thousand gallons of water are supplied in the place where there are more than 30,000 people living?"

THE HON. SRI A. B. SHETTY :—" I have already said that a different scheme is being thought of to provide more adequate supply of water. The proposals have been sent to the Travancore-Cochin Government and the concurrence of that Government is awaited."
